

Community Alert

Day 74 of the Nursing Home Strike

MARCH FOR PEACE & JUSTICE

Fort Independence Park

Sedgwick Ave @ Giles Place

Meet at the Flag Pole on the left inside the park

Saturday, May 3, 2008

10:30 A.M

Sponsored by the

Community Organization Strike Alliance (COSA)

COSA supports the efforts of 1199 SEIU on behalf of the Health Care Workers at the Kingsbridge Heights Rehabilitation and Care Center. All workers, including Health Care workers deserve health care benefits. As most of the funding for long term nursing is public funding from Medicare and Medicaid, there is no excuse for rising costs, and every effort should be used to come to an agreement for a signed contract with the workers.
